NOW ENROLLING FOR 2022-23!

Frontier Schools is a tuition free, college preparatory, Pre-K-12 Public Charter School and is currently serving more than 1,600 students at four locations in Kansas City. Our schools have a strong STEM (Science, Technology, Engineering, and Math) focus, working with urban youth in the Kansas City area. Our students come from diverse socio-economic populations in our city.

PRE-KINDERGARTEN

PROGRAM:

Our fundamental goal is encouraging children to learn and grow by providing a foundation of developmentally appropriate experiences where all children can succeed in a safe and nurturing environment.

The Pre-kindergarten curriculum combines a Constructivist philosophy with a play-based, child centered approach that focuses on building autonomy where students learn to become independent thinkers and make self-governed decisions. Meaningful play encourages curiosity, discovery, and problem solving which allows individual growth and development of a positive self-image. Students have the opportunity to participate in both indoor and outdoor learning experiences through project work and self guided learning which promotes cognitive, social, and physical growth.

Language & Literacy Skills

Social Emotional Skills

Math & Science Concepts

Letter Recognition & Writing Skills

Cognitive Development

Enthusiasm for Lifelong Learning

Strong Home to School Connection

Hands-On, Minds-On Learning

ELEMENTARY

PROGRAM:

Our highly qualified school community is dedicated to providing our students with a curriculum that is STEM (**Science, Technology, Engineering and Math**) focused, combined with effective instructional strategies to meet the needs of our diverse student population. We also provide character education classes to promote a peaceful, caring and safe community which guides our students to value integrity, and appreciate diversity by following our school-wide expectations to **BE SAFE, BE RESPONSIBLE, and BE RESPECTFUL.**

CURRICULUM:

- **Math:** Eureka Math - It connects math to the real world and sequences the mathematical progressions through specific modules.
- **ELA:** MyView - Uses the reading and writing workshop model and empowers students to learn from the world around them.
- **Social Studies:** myWorld: Stories from our world engage students and help develop thoughtful, literate citizens.
- **Science:** Project Lead the Way: Combines three-dimensional learning; activity-, project-, and problem-based instructional approach, plus real world learning all in one!

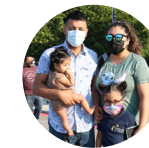

OUR TEACHERS:

- All teachers hold a valid teaching certificate issued by the Missouri Department of Elementary and Secondary Education (**DESE**).
- Pre-kindergarten classrooms have 20 students with one certified teacher and one teacher aide.

OUR CORE VALUES

High Expectations

Family Engagement

Character Matters

STEM Education

TRANSPORTATION:

Frontier Schools provides bus transportation for all students. Pre-kindergarten and kindergarten students must be accompanied by a parent or guardian to and from the bus stop.

FRONTIER SCHOOLS

Frontier School of Innovation's application period for 2022-23 begins on November 1st and ends on February 1st. **You can still apply after February 1st.**

If a student applies outside of this application period and if there is no available seat for the grade level applied, the student will be placed on a waiting list.

APPLY NOW!
